

Harold Rex Keller

Vernal, Utah

February 16, 1913-November 11, 2012

Harold Rex Keller was born on February 16, 1913, to [redacted] and Mary Tauscher Keller, in McMinnville, Oregon. He died on November 11, 2012, in Vernal, Utah, with his daughters at his side.

Harold grew up in Oregon. He was raised with one sister, Helen, whom he was very close to. Harold graduated from Grant High School in Portland, Oregon. At the time of the Great Depression, Harold worked three jobs to support his mother, sister and brother-in-law. During World War II, Harold enlisted in the Navy and was stationed in Hawaii.

On June 7, 1947, Harold married Elizabeth (Betty) Monteith. To this union they had two daughters, Kristin and Lauri. Harold worked in the lumber business most of his life. This took his family from Pendleton, Oregon, to Craig, Colorado. When he retired, Harold and Betty moved back to Oregon, living just outside of Tillamook, in Cape Mearns. Every day he would walk his dogs five to eight miles on the beach. When Betty died in 1996, Harold moved to Vernal, Utah, to be close to his daughters and their families. At the age of 83 he

bought a brand new home, which he lived in and maintained until May of this year.

One of the most significant events in his life was his time spent in the Boy Scouts. It kept a city boy out of trouble and taught him the joys of nature and camping. He maintained lifelong friendships with many from his troop. Harold continued as a Boy Scout leader and was awarded the Silver Beaver for his contribution to the Boy Scouts of America.
