Timothy Robert Webb of Pendleton, passed away on January 8th with loved ones at his side.

A fun-loving gentleman with an engaging sense of humor, Tim was great at relationships and staying in touch with those he loved. He adored cars, airplanes, and traveling. On the day of his 16th birthday, he got his driver's license and also piloted an airplane solo for the first time. After graduating from Pendleton High School in 1981, he had a successful career in the travel industry for many years.

Service Summary

No services to be held

Though he traveled a rough road for a while, Tim had recently moved back to Pendleton and was thriving. He enjoyed simple pleasures such as eating cranberry bliss bars and going to the local PAWS shelter where he was anxiously planning to adopt a dog. Sadly, this came to an end all too soon when he suffered a major stroke on December 17th.

He is survived by parents Bob and Radene Webb, sister Debby Thompson and her husband Neil, and brother Scot Webb and his wife Molly, in addition to many beloved aunts, uncles, nieces, nephews, and friends. Tim's zest for life, love for his family, and loyalty to his friends will be terribly missed.

No service will be held, but donations in Tim's memory may be made to the Pioneer Humane Society/Pendleton Animal Welfare Shelter (PAWS) by going to pendletonpaws.org or by calling 541-276-0181.
